

Safety Notice

THE QUEEN'S
HEALTH SYSTEMS

Thank you for protecting our patients from influenza

Dear Patients and Visitors of The Queen's Medical Center:

Due to **flu season and for the safety of our patients,
please observe the following extra flu precautions:**

- Hand sanitize upon entry to the unit
- No children under 12 years old are allowed on the unit
- If you are experiencing **any** of the following flu-like symptoms,
DO NOT VISIT:
 - Fever ≥ 100.5 °F or feeling feverish/chills
 - Cough
 - Sore throat
 - Runny or stuffy nose
 - Muscle or body aches
 - Headaches
 - Fatigue (tiredness)
 - Some people may have vomiting and diarrhea, though this is more common in children than adults.

Please check-in with the Secretary or Charge Nurse upon arrival for
a mandatory temperature check.

Mahalo for your Kokua

For questions, please contact the Infection Prevention & Control Department at 691-4226
